### OFFICE POLICIES

There will be a one-time annual administrative fee (each calendar year) of \$50 per patient for non-covered medical services, e.g., completion of school, camp and/or travel forms, mailing vaccines, preparation of extract, etc. **(please note: after hours phone calls are a \$50 charge for each instance and is NOT included in the one-time annual administrative fee).** It is our office policy to charge \$50 for appointments that are not canceled with at least 48 business hours advance notice, charge 18% interest on any balances over 45 days and to charge \$50 for after-hours telephone calls including medication refills. There is a fee of \$50 for insufficient bank funds/and or returned checks. You are also responsible for any other bank charges associated with checks not honored by our bank. We charge postage for FED EX shipments and certified letters. Please note that we make every attempt to run on time. When a patient is late for their appointment, we charge for the complete scheduled length of that appointment, i.e., if you are 30 minutes late for a 1-hour appointment you will be charged for the full 1 hour.
